BEFORE YOU START

Read carefully

Caution

Give this toy to the child only after it has been **assembled by an adult**, and always use it under **adult supervision**.

Assembly rules

- Assembly **without tools**: the parts just fit together.
- The **googly eyes** come already fitted on the side panels.
- Fit **both side panels before locking**: the "CLICK" is the last step.
- Assemble the table where it will stay, on a level floor.

Tools

- No tools: the parts fit together by hand

PRODUCT ASSEMBLY

Step by step

In each step, the arrows show where the part goes, the **black numbers** give the order and the **yellow letters** point to the details explained under the picture.

STEP 1 OF 3

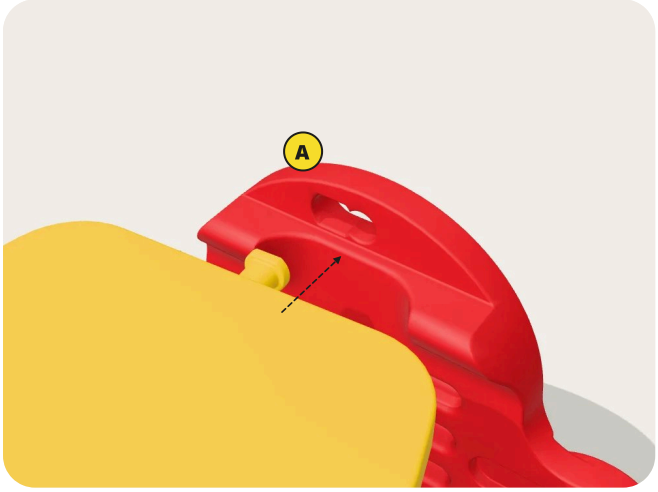

1 Tabletop and benches on the first side panel

A Side panel (A)

B Tabletop (B)

C Bench (C)

The peg at the end goes into the slot of the side panel

A The peg at the end goes into the slot of the side panel

Stand one **side panel (A)** up, with the inner side (without the eyes) facing you.

Fit one end of the **tabletop (B)** and one end of each **bench (C)** into the side panel: the peg at each end goes into the slot of the side panel.

CAUTION
Hold the tabletop and the benches until the other side panel is on: a second person makes it easier.

No need to lock yet: the "CLICK" is step 3.

STEP 2 OF 3

2 Other side panel

A Side panel (A)

Fit the other **side panel (A)** onto the other ends of the tabletop and the benches, with the eyes facing out.

The pegs at the ends go into the slots of this side panel, as in step 1.

STEP 3 OF 3

3 Lock until it "CLICKS"

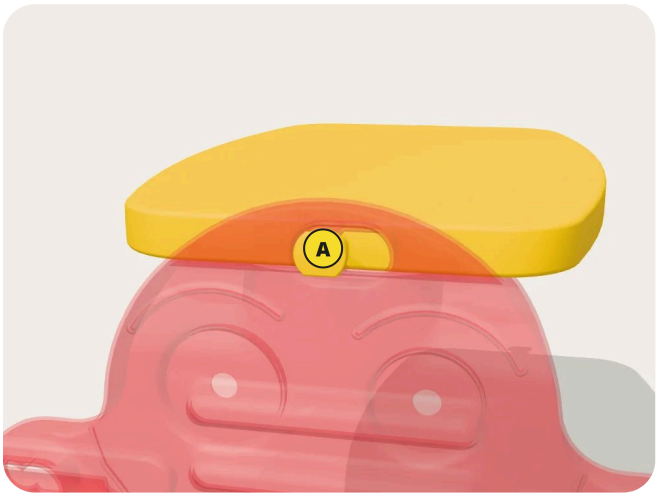

Pull the **tabletop** and each **bench** to the side, in the direction of the arrows, until you hear the **"CLICK"**.

The "CLICK" comes when the peg reaches the end of the slot and locks into the side panel.

CAUTION
Check the 6 joints (2 of the tabletop and 4 of the benches): all of them must be locked before use.

FASTENING DETAILS

How each part is held

Peg in the slot of the side panel

Each end of the tabletop and the benches has a peg, which goes into the slot of the side panel.

Locking

When you pull the part to the side, the peg goes to the end of the slot and locks with a "CLICK".

Assembly complete

Check the product visually, making sure every part is fitted and firmly fastened. **Only then let children use it.**

Maximum weight 36 kg (79 lb) per seat. Check that the tabletop and the benches are locked on both side panels (6 joints with a "CLICK").

INSTALLATION DETAILS

Where to use it

Floor: use the table on a level, firm floor.

Location: never use it near stairs, roads, swimming pools, water or slippery places.

Use: seats up to 4 children, sitting on the benches, with a maximum weight of 36 kg (79 lb) per seat. Do not let children climb or stand on the tabletop or the benches.

To avoid accidents, the child should wear shoes. This product is not intended for commercial use.

INSPECTION AND MAINTENANCE

Keep the table safe

Before use

- Tabletop and benches locked on both side panels (6 joints)
- Eyes firmly in place on the side panels
- Parts without cracks, burrs or sharp edges

Cleaning

- Damp cloth with water and mild soap
- Do not use solvents, alcohol or abrasive products

Maintenance

- If a part cracks or breaks, stop using the table and replace the part (contact customer service)
